## Areas of Interests

- Create Static website using HTML, CSS and JAVASCRIPT. Also creating websites using WordPress platform

## Areas of Interests

### COMPUTERIZED WATER BILLING SYSTEM

- Project done at ITMO University, Russia. Project comprises of a well-built system to create the billing system for water work for the customers. This system provides an accurate and reliable method to produce water bill and thereby gives a proper method to the customers and an efficient system for the providers.

### APP-POINT

- Final year project. Main purpose of the project is to make more reliable appointment system for the consumer and provider both side where they can handle their appointments and time schedule. Some providers can't afford personal assistance or manager to handle all the appointments, where this project comes in the scenario. Where user can easily handle their appointments and on the basis of providers consumer can find any kind of provider which they need.

## Skills & Abilities

### GOOD COMMUNICATION SKILL

- I can communicate with people easily. I know languages like English, Hindi & Gujarati and I can communicate with people in all these three languages very smoothly.

### ABILITY TO WORK

- I can work in any kind of pressure situations like where load of work is more, but in all the situations I will give my best in every work.

## **TIME MANAGEMENT**

- In any situation of work load by the help of time management I can do the work in the limit of time and complete it with perfection into it.

## **CODING**

- Like to code in HTML, CSS, JAVASCRIPT & PYTHON

## **LEADERSHIP & TEAMWORK**

- I have great ability to work in team and how to handle the big project work in the team with the help of time management. If I will be getting any opportunity to handle the team or for the Leadership I will grab that chance and give my best by sharing the work into teammates in which type of work they are best. I will manage all the work and will handle the work in the team perfectly.

## **Achievements**

- SUMMER SCHOOL IN INFORMATICS & COMPUTER SCIENCE (8 ECTS), ITMO UNIVERSITY, SAINT PETERSBURG, RUSSIA – FROM 4<sup>TH</sup> JUNE TO 15<sup>TH</sup> JULY, 2018
